MISS JEANETTE MARIE FREER

Bridal Shower Parties Held in Honor of Miss Jeanette Freer, Bride-to-Be

June, the month of brides, is also the time for lovely bridal showers. Among the affairs held in honor of the summer brides-to-be will be the one given this afternoon for Miss Jeanette Marie Freer at the home of Mrs. Jack Ward, 1225 East Oak Ave., El Segundo.

The miscellaneous shower will be attended by Miss Freer's family and family friends.

A recent kitchen shower also feted Miss Freer. It was held at the home of Mrs. Dave Nichols, Palos Verdes Estates, by Miss Judy Nichols and Miss Betty Watson.

Decorations were in red and white with the gifts placed beneath a red umbrella decorated with large white bows. The table centerpiece consisted of a bride-doll surrounded by hearts and flowers.

Guests included Misses Alta Alfred, Dixie Brown, Mrs. D. Hall and Dancie Hall, Mrs. Harline and Diane Harline, Donna Ibbotson, Yvonne Knight, Mrs. Nichols, Judy Nichols, Mrs. Dorothy Varney, Beverly McCuskey and Mrs. P. Freer, grandmother of the bride-to-be.

Miss Freer, the daughter of Mr. and Mrs. Jay Freer, 170 Via Los Miradores, will become the bride of Michael C. Mitchell, son of Mr. and Mrs. Kenneth Mitchell, Midway City, June 27 at the Church of Jesus Christ of Latter Day Saints, San Pedro.

She attended Westchester and Torrance High Schools. She graduated from Torrance High in 1958, attended El Camino College and is currently employed in the South Bay shopping center.

The bridegroom elect graduated from Huntington Beach High School, 1957, and is serving with the U. S. Navy Air Division at Chula Vista.

A neighborhood shower is also planned in honor of Miss Freer. It will be held at the home of Mrs. Fred Giesel, 176 Via Los Miradores.

Bridge Party to Raise W. C. Garden Funds

A dessert-bridge party featuring bridge, pinocle and canasta was held Friday at the clubhouse by the Torrance Woman's Club to raise funds for the Garden Section.

Eight awards were won by the garden section during the past year. The planting of oleanders along Torrance Blvd. was the project that brought the most recognition.

Wednesday over a mile of the trees were dedicated to the city. The 102 plants, part of the city beautification program, extend from between Crenshaw to Madrona Sts.

Awards received by the section are as follows: first place in the district for conservation, and Garden Press Book and a second for city beautification. The State award for community achievement and State and California State Garden Club awards for conservation and city beautification.

The bridge party helped the section raise more funds to pay for the oleanders they agreed to buy for the city parkway.
